Headteacher – Mrs Kelly Ellis

The final newsletter of the 2021/22 academic year and what a year it has been! Despite some of the challenges posed, for example, the impact of Covid and other illness in school being far greater this year than in previous, we have enabled and achieved a huge amount of success. To you as parents I want to thank you for your continued support in working in partnership with us to help the children flourish. I also want to thank the school staff and governors for their commitment and drive to achieve the very best for our children and we are all proud of the children's achievements in every sense this year.

Attached to this week's newsletter is a summary of our assessment results for key year groups (e.g. EYFS, Phonics check, KS1 and KS2 SAT's outcomes) against national comparators for you to see how we have performed in relation to schools nationally. We are delighted with these outcomes. Indeed, the KS2 SAT's data is the highest St Hardulph's has achieved since the school retained it's first year 6 cohort and this has been achieved on the back of two disrupted years due to Covid. A huge well done to our year 6 children who I know are ready and well prepared for the next part of their learning journey and we wish them well on this new adventure.

I hope our children and families have a fantastic summer break and the children have a well-earned rest and we look forward to seeing them back on the 30th August ready and raring to go for the next academic year. Mrs Ellis

Staffing

As previously mentioned we will be saying goodbye to two of our teaching assistants -Miss Taylor-Knoll and Miss Tsui and Mrs Brown our teaching student in class 1 at the end of this term and we thank them for their contribution to the St Hardulph's team and wish them well for the future.

In August we look forward to welcoming Miss Lightfoot, Mrs Wilkinson (part time) and Mrs Tivey (part time) our new teaching assistants to our school as well as our new Wrap Around Club leader, who we will confirm at the start of term. We will also be welcoming a new student teacher for the Autumn term in class one and Mr Yon is staying with us for the next academic year to complete his training.

Parental Questionnaire

A big thank you to parents for completing the annual survey, your views are important to us in helping us to evaluate where we are at and how we can move forward. The data will be crunched over the summer, reviewed by governors and contribute to our school improvement plans for next year.

Other New Year information

Please refer to last week's newsletter for information on school uniform, swimming and attendance.

Uniform Swap

We will run this at the beginning of next term. Unfortunately, we had too few donations to run it today.

PTFA Sunflower Competition

The winner was Hackett, with a sunflower height of 2.15 metres. He was presented with a medal at today's celebration worship

PE Kits on Monday

All children to come to school in PE Kit on Monday for Commonwealth Games activities.

Wrap Around Provision

We are thrilled to be offering our own wrap around provision at our school starting in August and details are as follows:

Breakfast Club will run from 07:45 until 08:45am and will continue to be led by Mrs Gill or Miss Arkless. Children arriving prior to 8:30am will be offered a breakfast selection of cereal, fruit, toast and a drink. The cost is £3.50 per day. We appreciate that this is quite a significant rise from the nominal cost morning club has been. However, we had held off reviewing the cost until we made the changes to our provision which is now starting earlier and offering breakfast and the cost is still competitive and in line with many other local schools charges.

After School Club

After School Club will be available from the first day back. It will run from 3:15 until 5:30pm each day and will be led by a new member of staff. The emphasis of this club is on play and leisure rather than education, however children will have the opportunity to complete any homework as well. Children will have the opportunity to enhance their learning through a wide variety of activities, including those that promote their physical development as well as an opportunity to wind down at the end of the school day. This club will also offer some half termly theme clubs on some days to complement the continuing extra-curricular offer. However, please note that our extra-curricular offer will be for typically 3-4 days a week from August with after school club available on the other days should your child wish to attend. The club will be booked in advance but may also have some limited on the day availability. The cost for after school club is:

3:15-4:15pm £5 per day to include a piece of fruit and a drink

4:15-5:30pm £6 per day to include a light tea served at 4:30pm

So 3:15- 5:30pm is £11 per day to include fruit, a drink and a light tea.

Details of how to book and pay, and activities on offer as well as our operating procedures will be shared with you in the week before the autumn term starts. We are also in the process of setting up the ability to pay using Childcare vouchers and the government tax-free childcare scheme.

Should you have any questions about our new wrap around provision, please get in touch with Mrs Ellis via email on head@st-hardulphs.leics.sch.uk
